

Test and Tag stickers

Quote

Size: 43mm x 100mm

Printed on Metamark MDP digital vinyl is a gloss white 100 micron film with a permanent clear solvent based adhesive; ECO-SOL MAX 2™ outdoor quality inks.

Tags are branded with your logo and details.

Artwork cost: \$60* (+ gst)

Artwork cost applies only to the first batch ordered. Subsequent minor amendments to artwork will not attract further charge.

Price: \$3.00 (+ gst) per sheet (10 tags per sheet).

Order more than 10 sheets and get free delivery.
Increased quantities can qualify for a bulk discount.

* Artwork cost includes basic art from logo and details provided. The quality of the print will depend on the quality of the material provided by the purchaser. For the logo the best files to supply are: native Adobe Illustrator (ai); eps or PDF. If those files are not available other file formats can be provided. Other file formats may attract additional artwork cost.
